Filing Basics:

- To locate contact information for the various county offices (Assessor, Auditor, & Treasurer), locate forms, and learn more about Indiana's personal property tax system, go to www.in.gov/dlgf.
- Every person owning, holding, possessing, or controlling personal property in Indiana on March 1st is required to file a form by May 15th.
- Taxpayers may request up to a thirty (30) day extension of time to file their return. The written request should be sent to the assessor before the filing deadline of May 15th and should include a reason for the request. The assessor has the authority to approve, deny, or set a different deadline of less than thirty (30) days for each request received.
- Personal property must be assessed in each taxing district where property has a tax situs.
- Inventory located in the State of Indiana is exempt and is not required to be reported.
- It is the responsibility of the taxpayer to obtain forms from the assessor and file a timely return. The forms are also available on-line at the department's website, www.in.gov/dlgf.
- If you hold, possess, or control not-owned personal property on the assessment date, you have a liability for the taxes imposed for that year unless you establish that the property is to be assessed to the owner. This is done by completing a Form 103-N, attaching it to the Form 103 Short, and filing it with the assessor. NOTE: Failure to properly disclose lease information may result in a double assessment.
- Taxpayers who discover an error was made on their original timely filed personal property tax return have the right to file an amended return. The amended return must be filed within six months of the due date or the extended due date (if up to a thirty (30) day extension was granted) of their original return.

Information of Not-Owned Personal Property Which Is To Be Assessed To The Owner

NOTE: This form is for the reporting of two or less Operating Leases. For all other leases, the Form 103-N (for the lessee) and the Form 103-O (for the lessor) should be utilized. For more information on the reporting of leased equipment, refer to 50 IAC 4.2-8. Failure to properly disclose lease information may result in a double assessment.
